### **10. POLICE AND CRIME COMMISSIONER ANNUAL REPORT**

The report was introduced by DL.

Cllr Pringle – asked a question about enforcement from cameras and prosecutions.

DL – explained that the money from speed cameras can only be used for road safety not prosecutions.

DL – in response to a point raise by Cllr Scarth, DL indicated that the information from cameras is often used to gather evidence of where the hotspots are. Letters are sent out and Police visits take place.

Cllr Scarth – urged PCC to encourage the Chief Constable to use more hand held cameras.

DL – confirmed that further training for hand held cameras had taken place.

Dr Ramsay – welcomed a stronger emphasis on cybercrime, which is becoming more sophisticated. He hoped that best practise across the Country would be followed.

DL – confirmed a lot of work was being done nationally and locally, with much investment through the National Crime Agency etc.

Cllr Monaghan – asked whether the work on knife crime would be rolled out.

DL – A lot of work had been done in schools on this which has been well received, we hope to roll this out elsewhere.

## **11. INDEPENDENT STOP & SEARCH SCRUTINY PANEL ANNUAL REPORT**

The report was introduced by Mr Demitrins Nurse the chair of the Hertfordshire Independent Stop & Search Community Scrutiny Panel.

Cllr Pringle – Thanked them for the work, made reference to the figures in Dacorum and whether an analysis had been undertaken.

DN – indicated he was happy to take this question away.

Dr Ramsay – mentioned the research that have been undertaken and detailed in the report.

DN – indicated he was pleased that DL had asked for the research to be done.

## **12. DOG WELFARE ANNUAL REPORT**

DL introduced the report.

Cllr Scarth – enquired how long it takes to get a dog after an officer has called for one to assist.

DL – this report isn't about the deployment of dogs, therefore I won't have those figures. This report is specifically about their welfare. Deployment timescales is an operational matter. However, I can't recall over the last 10 -11 years of there not being a dog available when needed.

### **13. INDEPENDENT CUSTODY VOLUNTEERS ANNUAL REPORT**

DL introduced the report.

Cllr Pringle – asked whether there were statistics on the diversity of the visitors, does the demographic represent the population.

DL – referred to figure 4 on page 9 of the report which set out the ethnicity of the Panel and age profile.

Cllr Pringle – asked whether specialists were recruited, such as for Children, mental health.

DL – In Hertfordshire children are not detained in custody, the L/A is under a duty to provide facilities. It is very rare to have children in custody. With regard to mental health the custody sergeant makes an assessment whether a person is well enough to go into custody.

DL – asked what happens if the person later presents as having mental health problems.

Dr AB – advised that a mental health nurse was on call permanently in custody suites.

### **14. USE OF FORCE SCRUTINY PANEL ANNUAL REPORT**

Mr Chris Cowdrey the Chair of the Use of Force Scrutiny Panel, introduced the report.

Cllr Pringle – asked about body worn cameras, and whether officers ever forget to activate them.

CC – sometimes the camera may be obscured by a coat etc.

Cllr Pringle – asked about complaints.

CC – advised the Panel do not get involved with complaints.

Cllr Dychton – asked for a deeper report on their findings for Watford.

CC – said he could look this up.

Cllr Chesterman asked how they recruit volunteers.

Dr AB advised that many avenues are used to recruit, such as webinars and different social media platforms.

CC – advised this was high on the Panel's agenda, there is a lot of promotion by Panel members.

Cllr Chesterman indicated she would be happy to meet with both Panel Chairs to discuss ideas on recruitment.

## **15. ANY OTHER BUSINESS**

Cllr Scarth mentioned he would have liked to have seen reference to OWL in the report.

Cllr AD asked a question about how long Police officers spend in A&E.

DL – this is an ongoing discussion nationally, and mentioned the ‘Right Care Right Person’ model to reduce the risk of Police officers having to wait alongside a patient in mental health crisis for up to 50 hours etc.

Cllr Monaghan advised that an email would be sent to new Panel members welcoming them to the Panel and an informal meeting arranged.

**DATE OF NEXT MEETING – 23 November 2023 6pm, at Three Rivers Council**
